After-Visit Summary Lines — Dialysis

Copy-paste lines for your discharge paperwork and after-visit summaries. Save each one as a smart phrase / dot phrase in your record system — your team adds them; we never need access to your system.

1 — Starting dialysis

Watch: Starting dialysis — what your sessions will be like, explained by Dr. Mohamed Ibrahim's team at MedicalVideos.com: medicalvideos.com/prepare/dialysis/ — free patient education, no account needed.

2 — AV fistula care

Read: Your AV fistula — how it works and how to look after your lifeline: medicalvideos.com/articles/read/what-is-a-av-fistula-for-dialysis_281.html — free patient education from MedicalVideos.com.

3 — Preparing for a dialysis session

Watch before your next session: how a hemodialysis session runs, step by step: medicalvideos.com/watch/hemodialysis-introduction-for-kidney_ejnuyk6gjqc8b8karz4u.html — MedicalVideos.com. Bring your questions to your dialysis team.

Patient education by MedicalVideos.com — founded 2007 by Dr. Mohamed Ibrahim, MD, PhD. Educational only — not medical advice; always follow your own care team's instructions.
